<b>Title:</b>	<b>Carry and Securing Concealed Weapons</b>	<b>206</b>
<b>Category:</b>	<b>Administration</b>	<b>7/2017</b>

## Carrying & Securing a Concealed Weapon

- A. The purpose of this guideline to prohibit the carrying of concealed weapons while on duty or at a fire station.
- B. The definition of a concealed weapon is any weapon that is required to be licensed under the current CCW law (2000 PA 381).

## GUIDELINE

- A. Employees licensed under the CCW law shall not carry a weapon while responding to a call, at the scene of a call, during any training exercise, or while at the fire station.
- B. If any employee is responding from their place of residence, the employee shall secure their weapon prior to responding. If responding from a location other than their residence, the employee shall secure the weapon in their vehicle prior to responding.
