Benefits-at-a-Glance - w/EA

Effective for groups on their plan year

This is intended as an easy-to-read summary and provides only a general overview of your benefits. It is not a contract. Additional limitations and exclusions may apply. Payment amounts are based on BCBSM's approved amount, less any applicable deductible, copay and /or coinsurance. For a complete description of benefits please see the applicable BCBSM certificates and riders, if your group is underwritten or any other plan documents your group uses, if your group is self-funded. If there is a discrepancy between this Benefits-at-a-Glance and any applicable plan document, the plan document will control.

Preauthorization for Select Services – Services listed in this BAAG are covered when provided in accordance with Certificate requirements and, when required, are preauthorized or approved by BCBSM except in an emergency.

Note: A list of services that require approval **before** they are provided is available online at **bcbsm.com/importantinfo**. Select ***Approving covered services*.**

Pricing information for various procedures by in-network providers can be obtained by calling the customer service number listed on the back of your BCBSM ID card and providing the procedure code. Your provider can also provide this information upon request.

Preauthorization for Specialty Pharmaceuticals – BCBSM will pay for FDA-approved specialty pharmaceuticals that meet BCBSM's medical policy criteria for treatment of the condition. The prescribing physician **must** contact BCBSM to request preauthorization of the drugs. If preauthorization is not sought, BCBSM will deny the claim and all charges will be the member's responsibility.

Specialty pharmaceuticals are biotech drugs including high cost infused, injectable, oral and other drugs related to specialty disease categories or other categories. BCBSM determines which specific drugs are payable. This may include medications to treat asthma, rheumatoid arthritis, multiple sclerosis, and many other disease as well as chemotherapy drugs used in the treatment of cancer, but excludes injectable insulin.

Member's responsibility (deductibles, copays, coinsurance and dollar maximums)

Note: If an in-network provider refers you to an out-of-network provider, all covered services obtained from that out-of-network provider will be subject to applicable out-of-network cost-sharing.

Blue Preferred® Rx Prescription Drug Coverage Benefits-at-a-Glance

Specialty Pharmaceutical Drugs – The mail order pharmacy for **specialty drugs** is Walgreens Specialty Pharmacy, LLC, an independent company. Specialty prescription drugs (such as Enbrel® and Humira®) are used to treat complex conditions such as rheumatoid arthritis, multiple sclerosis and cancer. These drugs require special handling, administration or monitoring. Walgreens Specialty Pharmacy will handle mail order prescriptions only for specialty drugs while many in-network retail pharmacies will continue to dispense specialty drugs (check with your local pharmacy for availability). Other mail order prescription medications can continue to be sent to Express Scripts. (Express Scripts is an independent company providing pharmacy benefit services for Blues members.) A list of specialty drugs is available on our Web site at **bcbsm.com/pharmacy**. If you have any questions, please call Walgreens Specialty Pharmacy customer service at 1-866-515-1355.

We will not pay for more than a 30-day supply of a covered prescription drug that BCBSM defines as a "specialty pharmaceutical" whether or not the drug is obtained from a **90-Day Retail Network provider or** mail-order provider. We may make exceptions if a member requires more than a 30-day supply. BCBSM reserves the right to limit the initial quantity of select specialty drugs. Your copay will be reduced by one-half for this initial fill (15 days) once applicable deductibles have been met.

Member's responsibility (copays)

Your Simply Blue HSA prescription drug benefits, including mail order drugs, are subject to the same deductible and same annual out-of-pocket maximum required under your Simply Blue HSA medical coverage. Benefits are not payable until after you have met the Simply Blue HSA annual deductible. After you have satisfied the deductible you are required to pay applicable prescription drug copays which are subject to your annual out-of-pocket maximums.

Note: The 20% member liability for covered drugs obtained from an out-of-network pharmacy will not contribute to your annual out-of-pocket maximum.

Features of your prescription drug plan

BCBSM Custom Select Drug List	A continually updated list of FDA-approved medications that represent each therapeutic class. The drugs on the list are chosen by the BCBSM Pharmacy and Therapeutics Committee for their effectiveness, safety, uniqueness and cost efficiency. The goal of the drug list is to provide members with the greatest therapeutic value at the lowest possible cost. ▪ **Tier 1 (generic)** – Tier 1 includes generic drugs made with the same active ingredients, available in the same strengths and dosage forms, and administered in the same way as equivalent brand-name drugs. They also require the lowest copay, making them the most cost-effective option for the treatment. ▪ **Tier 2 (preferred brand)** – Tier 2 includes brand-name drugs from the Custom Select Drug List. Preferred brand name drugs are also safe and effective, but require a higher copay. ▪ **Tier 3 (nonpreferred brand)** – Tier 3 contains brand-name drugs not included in Tier 2. These drugs may not have a proven record for safety or as high of a clinical value as Tier 1 or Tier 2 drugs. Members pay the highest copay for these drugs. ▪ **Tier 4 (generic and preferred brand-name specialty)** – Tier 4 includes covered specialty drugs listed as generic drugs (Tier 1) or preferred brand-name drugs (Tier 2) from the Custom Select Drug List. These drugs have a proven record for safety and effectiveness, and offer the best value to our members. They have the lowest specialty drug copay. ▪ **Tier 5 (nonpreferred brand-name specialty)** – Tier 5 includes covered specialty drugs listed as nonpreferred brand name (Tier 3). These drugs may not have a proven record for safety or their clinical value may not be as high as the specialty drugs in Tier 4. They have the highest specialty drug copay.
Prior authorization/step therapy	A process that requires a physician to obtain approval from BCBSM **before** select prescription drugs (drugs identified by BCBSM as requiring prior authorization) will be covered. **Step Therapy**, an initial step in the Prior Authorization process, applies criteria to select drugs to determine if a less costly prescription drug may be used for the same drug therapy. This also applies to mail order drugs. Claims that do not meet Step Therapy criteria require prior authorization. Details about which drugs require Prior Authorization or Step Therapy are available online at **bcbsm.com/pharmacy**.
Drug interchange and generic copay waiver	BCBSM's drug interchange and generic copay waiver programs encourage physicians to prescribe a less-costly generic equivalent. If your physician rewrites your prescription for the recommended generic drug, you will only have to pay a generic copay. In select cases BCBSM may waive the initial copay after your prescription has been rewritten. BCBSM will notify you if you are eligible for a waiver.

Quantity limits	To stay consistent with FDA approved labeling for drugs, some medications may have quantity limits.
Exclusions	The following drugs are not covered: • Over-the-counter drugs and drugs with comparable OTC counterparts (e.g., antihistamines, cough/cold and acne treatment) unless deemed an Essential Health Benefit or not considered a covered service • State-controlled drugs • Brand-name drugs that have a generic equivalent available • Drugs to treat erectile dysfunction and weight loss • Prenatal vitamins (prescribed and over-the-counter) • Brand-name drugs used to treat heartburn • Compounded drugs, with some exceptions • Cosmetic drugs

Note: Pediatric members are members who are age 18 or younger on the plan's effective date. They remain pediatric members through the end of the calendar year in which they turn 19.

Network access information

With Blue Dental PPO Plus, members can choose any licensed dentist anywhere. However, they'll save the most money when they choose a dentist who is a member of the Blue Dental PPO network.[1]

Blue Dental PPO network – Blue Dental members have unmatched access to PPO dentists through the Blue Dental PPO network, which offers more than 260,000 dentist locations[2] nationwide. PPO dentists agree to accept our approved amount as full payment for covered services – members pay only their applicable coinsurance and deductible amounts. Members also receive discounts on noncovered services when they use PPO dentists (in states where permitted by law). To find a PPO dentist near you, please visit **mibluedentist.com** or call **1-888-826-8152**.

[1] *Blue Dental uses the Dental Network of America (DNoA) Preferred Network for its dental plans.*

[2] *A dentist location is any place a member can see a dentist to receive high-quality dental care. For example, one dentist practicing in two offices would be two dentist locations.*

Blue Par Select℠ arrangement – Most non-PPO dentists accept our Blue Par Select arrangement, which means they participate with the Blues on a "per claim" basis. Members should ask their dentists if they participate with BCBSM before every treatment. Blue Par Select dentists accept our approved amount as full payment for covered services – members pay only applicable coinsurance and deductibles. To find a dentist who may participate with BCBSM, please visit **mibluedentist.com**.

Note: Members who go to nonparticipating dentists are responsible for any difference between our approved amount and the dentist's charge.

Member's responsibility (deductible, coinsurance and dollar maximums)

Deductible • Applies to Class II and Class III services only	$25 per member limited to a maximum of $75 per family per calendar year
Coinsurance (percentage of BCBSM's approved amount for covered services) • Class I services	None (covered at 100%)
• Class II services	20%
• Class III services	50%
• Class IV services	Not covered
Dollar maximums • Annual maximum for Class I, II and III services	$1,000 per non-pediatric member per calendar year. The annual benefit maximum **does not** apply to pediatric members.
