EFFECTIVE DATE OF TAX:

The City of Springfield Income Tax became effective January 1, 1989. Corporations are required to pay tax on that part of their NET INCOME attributable to business activity conducted in the City of Springfield, commencing with the first year (calendar or fiscal) ending after January 1, 1989.

PARTIAL BUSINESS ACTIVITY IN THE CITY - ALLOCATION OF NET INCOME:

When the entire net income is not derived exclusively from the City of Springfield, the BUSINESS ALLOCATION PERCENTAGE METHOD shall be used to determine that portion of the net income taxable by the City of Springfield. (complete Schedule D)

CORPORATIONS REQUIRED TO FILE:

Every corporation who conducts business activity in the City of Springfield is required to file ANNUALLY a City of Springfield Corporation Return, Form SF-1120. This includes any corporation, whether or not "a place of business" is established in the City of Springfield, but has income derived from City of Springfield sources.

Corporations having an "IRS EXEMPTION FROM TAXATION", but have income from operations not related to the purpose for which the exemption was given, must pay tax on the unrelated income.

The taxpayer may petition the Administrator for approval to use a separate, or alternate accounting method. Generally, a corporation that is unitary in nature (i.e. has central management, purchasing, advertising, etc.) cannot use separate accounting.

A "TAX-OPTION CORPORATION" must file a City of Springfield Corporation Return and pay tax on their net income.

OR

2 . Take the gain or loss for the entire holding period; as computed for Federal income tax purposes, then compute the taxable portion using a ratio based on the number of months the property was held after January 1, 1989 versus the entire number of months the property was held.

Line 1 is used to adjust income for the NON-DEDUCTIBLE portion of LOSSES from the sale or exchange of property acquired prior to January 1, 1989. (Effective date of City of Springfield Income Tax.) Refer to instructions for Schedule C - Line 28, "GAIN (OR LOSS) FROM SALE OR EXCHANGE OF PROPERTY", if the LOSS reported in Line 1 of SF-1120 has not been adjusted to reflect only that portion deductible based on the effective date of the City of Springfield Income Tax.
